Press Release – Lausanne, 24 October 2022

WorkinWith welcomes Saffelberg Investments as a strategic shareholder

WorkinWith, an agile innovative European Microsoft Dynamics 365 partner, announces Saffelberg Investments (Belgium) as its strategic investor.

As a Microsoft Solution Partner, WorkinWith innovates, designs, implements, integrates, optimizes and manages business processes and applications based on Microsoft Dynamics 365 and Microsoft 365, leveraging the Microsoft Azure cloud platform. WorkinWith serves clients across Europe, North America and Asia. Saffelberg will support WorkinWith' strategy to substantially expand its European operations.

«WorkinWith is a strong team of experienced and internationally recognized experts fully dedicated to the Microsoft Dynamics System Integrator Business. The management team has a proven track of record to build teams and deliver ERP & CRM software integration services to international and mid-market companies in specific industries. The business solution market is a strongly growing market and we believe Microsoft Dynamics is well placed to continue to outperform. We are proud to partner with WorkinWith and are committed to supporting them in their growth ambitions. .» Mr. Jan Geerts, Investment Director at Saffelberg Investments.

«Embracing new technologies through an entrepreneurial program has allowed WorkinWith to launch its activities this year based on a solid and loyal core team of highly skilled employees.. We are delighted to partner with a solid investment firm as we prepare our next growth stage. Our focus will remain putting clients first, setting the standard for delivering excellence in best class services, with people who share the desire and drive to be the best in the technologies and industries we serve. We value the experience Saffelberg brings to WorkinWith and look forward to benefiting from it to bolster our future growth and expansion.» Stéphane Pasche, Co-founder & CEO, WorkinWith
